DEPARTMENT OF STATE
THE LEGAL ADVISER

August 9, 1968

TO : L - Mr. Salans

FROM : L/C - Ernest L. Kerley

SUBJECT: Computation of U.S.S. Liberty Personal Injury Claims

We have now completed computing the amounts to be claimed in 133 U.S.S. Liberty personal injury claims, totalling $797,975. The attached list indicates the claimant, the nature of the injuries, and the amount of compensation we propose to claim. If you wish to review the computation on any of these, please call me. If the amounts are acceptable, we will write the claimants informing them of the amounts we propos. to claim.

There remain 28 claims on which our medical information is still inadequate for a final computation. We are pressing the Department of Defense to obtain this information for us, and the information continues to come in, generally in small doses.

Attachment:

Computation of claims.
